

## Warranty Letter

PowerGuard is a Managing General Agent and Lloyds cover holder specializing in the design and underwriting of unique insurance and risk management solutions for wind, solar and other alternative energy companies. We hereby acknowledge that we offer warranty coverage to Jinko Solar for PV modules as follows:

(1) insurance coverage for product defect limited warranty

Under Jinko Limited Warranty for PV Modules:

The insurance offers coverage for product defect for years 1 through 5;

(2) insurance coverage for peak power limited warranty

Under Jinko Limited Warranty for PV Modules:

90% rated power output at standard test condition for years 1 through 10,

80% rated power output at standard test condition for years 11 through 25.

The warranty period commences from Warranty Start Date stipulated in Jinko Limited Warranty for PV Modules.

The insurance starts from 1 May 2011 and has no territory limit.

A handwritten signature in black ink, appearing to read "Mike McMullen", is written over a horizontal line.
